# Witcher 3 complete prima guide pdf gratis full

Download Game Guide PDF, ePub & iBooks Free iOS App Become a Witcher! Guide to the Witcher 3: Wild Hunt is a comprehensive source of information required for playing the Polish blockbuster game and completing it in one hundred percent. There is also a full game walkthrough included. Last update: Tuesday, January 11, 2022 This guide for The Witcher 3: Wild Hunt offers a complete walkthrough of all main and side quests in the game, as well as an extensive world atlas with maps of all visited locations. The guide presents the main quests, side quests, optional witcher contracts, and treasure hunting quests in great detail. The walkthrough for each of these quests includes information on how to unlock it, a list of all the steps that must be taken and the rewards for completing it. In the case of more advanced tasks, the quest description also includes battles with more difficult monsters and bosses, as well as important choices and consequences of decisions made. Pages with the most important choices and descriptions of all endings have also been added to the walkthrough part of the guide. The atlas part of this guide focuses on all the important locations you visit while exploring the main locations in the game (White Orchard, Velen, Novigrad, Skellige Islands). The maps of the world atlas include, among others, the main cities and villages, places where you encounter traders and other important NPCs, places where you can find treasures and secrets, signposts or unique areas (bandit camps, monster hideouts, abandoned places, etc.). Both the walkthrough and the world atlas are accompanied by high-quality maps with legible markings, which can be very helpful, for example, in locating the person assigning the quest or the place where the treasure is hidden. The atlas has also been enriched with a chapter on witcher gear and acquiring equipment from various schools. It also includes a page with a list of the most valuable witcher trophies, which are awarded for completing subsequent contracts. A large and important chapter is the game guide, which tells you how to play and how to properly develop the main character. The guide opens with starting tips, as well as hints and tips for, among others, combat, world exploration, developing Geralt and improving his equipment. An important part of the guide is the chapter on the gwent mini-game, which describes its most important assumptions and tells you what strategies to use to win subsequent rounds. This guide contains information about romances - it explains step by step how to start an affair with Keira Metz, Yennefer and Triss. There is also a FAQ chapter, which suggests, among others how to earn and spend gold, how to increase the inventory capacity limit, how to get xp easily, how to get to the Skellige Islands, and how long does it take to complete the game. The guide for The Witcher 3 Wild Hunt is supplemented by additional pages, including, first of all, a trophy guide with a description of all the achievements and the platinum trophy. Among others, you'll also find pages on controls, cheating and system requirements. The Witcher 3: Quick Starting Tips Below, you'll find some quick tips and tricks for The Witcher 3. They should help if you are starting your adventure with the game for the first time and you are just learning its mechanics. More tips can be found on the Starting Tips page of the game guide. It is a good idea to prepare for each fight. This is especially important if we have one of the higher difficulty levels. First of all, we should choose the correct sword depending on the type of opponents, and, if possible, review the information about the weaknesses of a given monster in the bestiary. This will allow us to perfectly choose witcher signs, oils or bombs to win the fight. Queen witcher sign can effectively protect Geralt. Its regular use is especially important when playing on the highest difficulty level, where the hero can easily take critical damage. Protecting yourself with a shield significantly reduces the chances that we will suddenly die or be on the verge of death. Each quest and region of the world have a recommended level of experience. We shouldn't deal with completing quests with too high the suggested level and fighting monsters on a higher level than Geralt. We always find challenges and quests corresponding to the current level of the witcher, which will allow him to develop. Geralt has a burden limit. We should avoid exceeding it, as it will limit the mobility of the main character and, at the same time, may hinder effective combat. We can make efforts to raise the limit (e.g. buying saddlebags for a horse) or getting rid of unnecessary loot at traders on an ongoing basis. Witcher senses help in exploring the area. We can use them not only in quests that require investigating or following tracks, but also during regular exploration of the area. Activating witcher senses is free and you will reduce the risk of missing a valuable loot or an important interactive object. The Witcher 3: Secrets, collectibles and world atlas Our guide to The Witcher 3 Wild Hunt includes a world atlas with high-quality maps of all main locations and individual areas. On the maps, we have marked secrets and collectibles, important locations or areas related to completing quests. We divided the whole thing by location. Map M1 - White Orchard Map of important placesMap of enemiesPlaces of PowerQuest mapVelen (except Novigrad) World map - VelenPlaces of Power - Velen Novigrad, Oxenfurt and surroundings World map - Novigrad and OxenfurtPlaces of Power - Novigrad and OxenfurtMap M2 - Inn at the Crossroads Map of important placesMap of enemiesQuest mapMap M3 - Crow's Perch Map of important placesMap of enemiesQuest mapMap M4 - Midcopse Map of important placesMap of enemiesQuest mapMap M5 - Farcorners Map of important placesMap of enemiesQuest mapMap M6 - Free City of Novigrad Map of important placesQuest mapMap M7 - Vegelbud Residence Map of important placesMap of enemiesQuest mapMap M8 - Oxenfurt Map of important placesMap of enemiesQuest mapMap M9 - Crookback Bog Map of important placesMap of enemiesQuest mapMap M10 - Fyke Isle Map of important placesMap of enemiesQuest mapMap M11 - Bald Mountain Map of important placesMap of enemiesMap M12 - Military camp Map of important placesQuest mapSkellige World map - SkelligePlaces of Power - SkelligeMap M13 - Kaer Trolde Map of important placesMap of enemiesQuest mapMap M14 - Kaer Muire Map of important placesMap of enemiesQuest mapMap M15 - Spikerog Map of important placesMap of enemiesQuest mapMap M16 - Northern Isles Map of important placesMap of enemiesQuest mapMap M17 - An Skellig Map of important placesMap of enemiesQuest mapMap M18 - Hindarsfjall Map of important placesMap of enemiesQuest mapMap M19 - Faroe Isle Map of important placesMap of enemiesQuest mapMap M20 - Southern Isles Map of important placesMap of enemiesMap M21 - Undvik Map of important placesMap of enemiesQuest mapMap M22 - Kaer Morhen (return in the game finale) Map of important placesQuest mapThe Witcher 3: Witcher GearThe Witcher 3 Wild Hunt gear allows you to equip Geralt with the best swords, crossbows and armor elements. The methods of obtaining diagrams and the methods of crafting witcher's equipment are discussed in detail in a separate chapter of The Witcher Gear.
